PREFERRED CUSTOMER PASS

DEADLINE : 5 AUGUST, 2010**Improve Your Response by Sending Free Invitations to Your Most Important Customers and Prospects !**

Distributing Preferred Customer Passes has proven to be one of the easiest, most effective methods of increasing booth traffic - yet many exhibitors simply do token mailings or even worse, don't use them at all! An effective Preferred Customer Pass campaign is the most important step to exceeding your goals at **TTF&OTM**. Research conducted by the *Center for Exhibition Industry Research* confirms that exhibitors who use Preferred Customer Passes attract better, more qualified traffic at their booths than other exhibitors.

YES! I want to maximise my booth traffic at TTF & OTM with preferred Customer Passes

SHOW IMPLEMENTATION

During TTF&OTM it is important that your stand personnel converse professionally with customers. These interactions must be documented properly to collect information for professional trade show follow-up.

1. Conversation with customers

- Every opportunity to make contact is priceless and must be converted to dialogue with a great deal of attention and willingness.
- Even seemingly disinterested customers present a window of opportunity for fruitful communication.
- Understand the visitor's busy schedule and compress your sales pitch accordingly.
- Leave room for the visitors to explore, instead of overwhelming them with attention.
- Recognize the interests of the visitor and build your conversation around it.

2. Documentation

Each conversation forms the basis for your trade show follow-up and hence must be documented by stand personnel whenever a visitor shows keen interest.

- When a business card is available do not ask for information already mentioned there.
- Only begin taking notes after a short warm-up phrase.
- Because your notes are not secret, allow the person concerned to see what you write down.
- Use copies of the enclosed "Conversation Record" for evaluating significant contacts.

3. Follow-up

In no later than 10 days after TTF&OTM, the following activities when efficiently handled directly influence the business decisions of important contacts:

- Thank-You mailings
- Phone calls to initiate contacts
- Business proposals
- Live up to the promises made
