India’s Biggest Travel Show Network

Since 1989, it provides an annual marketing platform and opportunity to network with the travel trade in all major cities.

OTM is India’s biggest travel trade show on the basis of number of participants, visitors and rented area. It is held every year in Mumbai, the largest source market of Domestic and Outbound tourists. This is in addition to the TTF Mumbai in pre-Diwali high season in September.

More than 2,500 Exhibitors from 80 Countries and 36 Indian States / Union Territories have participated in our TTF and OTM branded shows, making us the leading travel trade show organisers, with about 50% market share.

TTF is a very good opportunity for all the tourism-related stakeholders and for all the states who are trying to promote their tourism to meet and share ideas.

Dinesh Dhanai
Tourism Minister of Uttarakhand

TTF has been doing a great job over the years. We are grateful to TTF for organising these shows and for giving us the opportunity to showcase Gujarat and its tourist attractions to the people. Gujarat Tourism is glad to partner with TTF.

N Sreevastava
Managing Director and Commissioner, Tourism Corporation of Gujarat Ltd

CNTB has been collaborating with TTF for a long time and we are very pleased to be a part of the exhibition in 2017 as well. These shows appropriately communicate our tourist offerings to the Indian market.

Tian Xin
Director - China National Tourist Office, New Delhi

This is the first time that we participated in TTF Kolkata and this time we focused on our BBM portal. TTF is very nicely done and managed. The footfall was good and we have been able to capture it well and will gain from it.

Director & CEO, Transtarz Global Group

India’s definitive trade show on Business, MICE and Luxury Travel

India is the fastest growing business travel market in the world. According to GITA: “More than any other country, India is poised for breakout growth. It forecasts 11.6 percent growth in business travel spending in 2017, to reach $36.8 billion USD. GITA projects India will become the 6th largest business travel market in the world by the end of 2019, to reach $45 billion mark.” (From its present position of 10th largest market in the world) “Fifteen years from now, India will likely be a top-five market in business travel spending.”

The last BLTM at Hyatt Regency was a huge success and set a new milestone for MICE focused travel trade shows in India, where 152 Sellers from 94 exhibiting companies met with over 144 Hosted Buyers and 146 VIP Invites. More than 5000 business appointments were scheduled between the hosted buyers and sellers. 96% of the Buyers as well as Sellers were satisfied and likely to return in 2017.

BLTM unlike other shows in this category so far, is not a table top show, but a full format booth and pavilion based show, at even better pricing and inclusion. (According to industry analysts, table top shows do not do justice to seller brands, hence full format shows are most popular globally. Please see enclosed news report on the front page of Travel News Digest).

KARNI KOT SODAWAS (PALI)
Sodawas was given in Jagir (Fiefdom) to Late Thakur
Bishan Singhji by his late Highness maharaja Shri Umaid Singh ji of Jodhpur in the year 1943 along with two other villages. On arrival you enter through a grand gateway into the Karni Kot, Which is still lived in by the family of Late Thakur Bishan Singh Ji. The present Thakur Sunder Singh of Sodawas and his family will join you and will give you an opportunity to discuss their traditions, culture and the rich heritage of Marwar erstwhile state of Jodhpur. Folk Music and Theme Dinners are additional attractions. Their beautifully designed stables will interest Horse Lover.s. Once the much loved stallion and mare of the Late Thakur Bishan Singh Ji Sahib were stabled here. Horse Safaris can be arranged on request. Beyond the Kot walls the guest encounters breath taking view of lush green fields of mustard and wheat; and in the village, one can see artisans working on the local crafts of the region. From Sodawas travelling through interesting countryside and passing the 14th Century Temples of Nadol and the famous white marble Jain Temple of Ranakpur, one can travel reroute to Udaipur, through the picturesque landscape of the Aravali Mountain Range.

A visit to Karni Kot Sodawas is indeed a delightful and memorable experience …….
