TTF Ahmedabad brings life back to the travel industry

Besides big support from State tourism boards, TTF Ahmedabad also had good participation from the private sector

Incredible !ndia

Khushboo Gujarat ki

Mirage like, almost mingled in the dry foliage, the gentle, controlled, sauntering... Lion!
Not just one, many. The entire lot begins moving towards us, getting closer and closer... and
is now a few feet away from my hand!!

And why do I still wish that they had come closer? Maybe they will, in your tour.
